Results:

At least 10 in the left column: You're "player radar" is working properly and your crush seems like a OK guy to become more interested in.

A good mix from the left and right columns: Your crush has the makings for a player. Proceed with extreme caution.

The majority in the left hand column: RUN AWAY. This person is not someone you should date or pursue a relationship with; he has all the makings of a genuine player.
